Summary

Aspiring Java Full-Stack Developer with strong fundamentals in Data Structures and Object-Oriented Programming. Proficient in Java, front-end technologies, and database management. Eager to contribute to building scalable, user-centric applications while continuously learning and growing in a dynamic organization.

Education

Bachelor of Technology (B.Tech) in CSE CGPA: 8.1 | Oct'23 – June'27

Galgotias University, **Greater Noida**

Senior Secondary (Class 12) Percentage: 74.8 | May 2023

Darshan Shah College

Secondary (Class 10) Percentage: 59.6 | April 2021

Children's Happy Home

Technical Skills

Programming: Java, C
Core CS: Data Structures & Algorithms, OOPs, DBMS
Web: HTML, CSS, JavaScript
Databases: MySQL
Tools: Git, GitHub, VS Code
Soft Skills: Teamwork, Problem-Solving, Leadership

Projects

Online Voting System — JAVA, SWING, JDBC (Oct 2024 – Dec2024)

• Developed a secure desktop-based voting application with user authentication, vote validation, and real-time result tracking using Java and Swing.
• Integrated MySQL with JDBC to ensure reliable data storage, enforce one-user-one-vote functionality, and maintain data integrity.
• Implemented validation and authentication mechanisms to prevent duplicate voting, demonstrating strong understanding of OOP and database connectivity concepts.

AgriHarvest Website — HTML, CSS, JavaScript (Nov 2025 – Jan2026)

• Developed a responsive agricultural information platform to help farmers access crop details, market trends, and best farming practices.
• Implemented a clean user interface UI with optimized layouts for smooth navigation across desktop and mobile devices.
• Integrated dynamic features such as crop search, product listings, and feedback form to enhance user engagement and accessibility.

Internships

Virtual Internship – Java Full Stack Development (Oct 2025 – Dec2026)

• Learned core Java and object-oriented programming concepts.
• Gained exposure to backend development fundamentals and workflows.
• Strengthened problem-solving skills through practical virtual tasks.

Certificates

• MySQL — ORACLE 2024
• Google Cloud Arcade — Google 2025

Achievements

• Secured a position in the Top 100 in the Smart India Hackathon (SIH) Pre-Qualifier Round 2024.
• Solved 250+ coding problems across multiple platforms, strengthening proficiency in Data Structures, Algorithms, and problem-solving techniques.
